

## Directions to LSUHSC Human Development Center

411 S. Prieur St., New Orleans, LA 70112

This campus map will help you get your bearings: <http://www.lsuhsu.edu/maps/downtown.aspx>

- Visitor parking is available in the LSU Parking garage located on Roman Street (between Tulane Avenue and Gravier Street).
- Visitor parking in the garage is normally restricted to the first floor, but Parking is allowing people to park on Floors 1-7 for this event. If there is an issue with the gate not opening, please see a parking attendant on the third floor (stairs/elevators are on the right). Please take a ticket when entering the garage, and do not lose it.
- The fee to park all day is \$10.00.
- Parking is also available adjacent to the LSUHSC in private parking lots, and at parking meters in the area. There is plenty of metered parking around our buildings even if spots aren't available on Bolivar – however, if you park on the street, please be mindful of your time as you will be ticketed if you are delinquent.
- Exit the Garage on Bolivar and cross the street. The Lions Eye Building will be on your left and the Library, Administration and Resource Center will be on your right.
- Pass both buildings and turn right. The Human Development Center will be on your left.
